

GOOD VIBRATIONS

// SUMMER 2025

This Summer, the OAK Oneofakind Gallery offers you a colorful and material décor mixing tapestries, artists' drawings and seventies furniture. Until September 12, 2025

The OAK Oneofakind gallery in Toulouse vibrates to the rhythm of “Good Vibrations”, a joyful and sensorial exhibition orchestrated by Antoine Vignault, where materials, shapes and colors collide in an inspired harmony. Conceived as an aesthetic walk between art, craftsmanship and design, this exhibition summons the creative energies of several artists and creators, gathered around the same desire: to celebrate beauty, matter, and emotion.
